A word from Nancy...

Welcome to Nancy Hands, which has recently
changed owners. As we say goodbye to Fran & Dom,
we're delighted to have the rest of the team on board.
Please bear with us as we carry out repairs and
renovations in the coming days. Our menus and wine
list are temporary **and** a little shorter, but we hope
you'll love the changes to the offer in the coming
weeks. Thank you so much for your patience while
we find our feet and get to know our wonderful
customers.
